Good Morning Scott-

I hope you enjoyed your holiday weekend.

By way of quick follow up, we are trying to get the Charter filed for the Commission with the Secretariat.

One final piece of information needed: Pursuant to Section 102-3.75 (8) of the FACA, we need to include the estimated number of meetings as well.

Can you advise as to the average amount of estimated meetings the Commission expects?

Thanks much.

Regards,

Andrew,

Here is the bylaws example referred to in our meeting. As you read through, please keep in mind that:

- *Bylaws for federal advisory committees are not required under FACA but are a best practice, mentioned in 41 CFR §102-3.125(a), and highly recommended.

- *The Final Rule does not prescribe the content for bylaws.

- *The President's Management Advisory Board (PMAB) is a GSA Presidential advisory committee (required by EO) and their bylaws can be used as an example (attached). You will need to review EO 13708, as amended, to understand what was required by the EO and captured in the bylaws, versus what was incorporated as policy in the Board's operation.

I've also included the following which are not required (except for 5420.40E Federal Advisory Management) :

- *Committee Chair Best Practices

- *FACA Meeting Checklist

- *GSA Directive 5420.40E FACA Management Policy

Andrew

I'm resending the information to make sure its clear and a bit easier to read. I'm looking into to FOIA records submitted against PCEA or any of its' members (Member@supportthevoter.gov) and other related issues.

1. Have other FACAs set up dedicated email accounts (e.g., (b)(6) to use for their FACA-related communications? If so, any lessons learned as to whether that worked well or not, whether GSA would recommend doing that, etc.?

(b)(5)

Recommendation:

(b)(5)

2. Duane to check on an MOU or other vehicle for transferring EOP funds to GSA, along with feasibility of detailing OSC employee to GSA for purposes of this commission.

3. Any examples/templates of FACA operating procedures? *Provided 6/5/17 via email*

4. Any other guidance on how other commissions have handled payments for facility rentals, travel reimbursements, transcriptionists, etc.? We're still a bit unclear about how this would work mechanically (maybe this is another issue we need to specify in the MOU?).

- **PCEA -**

***Facility Rentals:** The DFO worked with a contracting officer, put together an RFP and competed the locations and reviewed/chose from those options. The contracting officer then did a PO in Pegasys and made payment.

***Travel Reimbursements -** The Commissioners did them in Concur, which has since been upgraded so it may be easier. For hearing invitees the DFO and assisting staff did the travel vouchers manually on paper.

***Transcriptionists -** The DFO worked with OCM, they had a POC with a purchase card who bought minutes and reconciled/charged them to the PCEA accounting string. Be aware these are done electronically and **the DFO** spent quite a bit of time going through, watching the hearing videos and making corrections to the transcripts.

Hey Andrew-

I know you're running the final edits to the charter up the chain on your end.

But as you are going to serve as DFO, on your end, can you provide in writing to me from someone with signatory authority in the VP's office requesting that you serve as the Designated Federal Officer for the Presidential Advisory Commission on Election Integrity.

Thanks as always,

Hi Andrew,

There are few things that must take place before the first official meeting as we discussed. A GSA ethics briefing and FACA training is required for the members before the 1st official committee meeting. Possibly this can call take place in the same session. Also, recall FACA requires all meeting notices to be published in the Federal Register 15 days prior to meeting date. There's only a few days to spare before we cross that 15 day threshold. At best, you may have to push the meeting date forward a week or so. Also, what meeting location were you considering? Recall this information is also required in Federal Register meeting notice. I'll get back with you as soon possible about the ethics briefing and FACA training. - Thanks

Hi Duane and Lori,
Andrew is looking to schedule a meeting on July 19th. I reminded him of that an ethics briefing and FACA training is required for PCEI's members before the 1st official meeting. Is it possible to schedule the ethics briefing and the FACA training on the 19th before the first official meeting? As Andrew stated, the VP's schedule is driving the July 19th date? Can both briefings be completed within an hour? A meeting location isn't identified at this time. If we can combine the briefings, will this date work for both your schedules?

Lori, are you available tomorrow for a few minutes to discuss the FACA briefing? I need your input on this.

Duane, as to the ethics briefing, where the swearing of the members as SGE takes place, we received another email from Andrew. In this email, Andrew attached the draft SGE appointment letter for the members drafted by White House Counsel. So, the WH is preparing for the ethics briefing. Hopefully, we can get the briefing package before the Administrator prior to presenting the member's SGE appointment letters.

Hi Audrey - I recommend the FACA briefing take place before the day of the meeting so the members can absorb and process the FACA requirements before they are in a public setting. It will take longer than 30 minutes. I also recommend that Duane give the briefing since most of the questions from members will be legal in nature. It's common for agency legal counsel to give these types of briefings. I can work with Duane on this. I will be in the office today. Lori

Lori and Duane,

Will the ethics briefing also require 30 minutes as well with the total meeting time 1.5 hours. The last 30 min will focus on travel or specifically, reservations and travel vouchers. Since all the members would be together in the room, it would be the perfect opportunity. Any objections?

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft FR meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI). As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the GSA Briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Kind Regards,

Hi Virginia,

Andrew requested assistance with the meeting notice and travel assistance for the members listed in the spreadsheet. The members do not yet total 16 (counting Vice President Pence), but just who are listed in the spreadsheet. "White glove" travel service (similar to what was provided to the PTT) to travel for meeting purposes. Christine Courter is the lead contact on travel. Hopefully this helps. Let me know if you have any additional questions. - Thanks

You might want to ask Andrew for clarification, and ask Cynthia/Audrey who should be processing the SGE appointments. I am not involved with GSA internal HR processes. Lori

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft FR meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI). As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the GSA Briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Good Morning Eugenia,

A new FACA committee, the Presidential Committee on Election Integrity (PCEI), was established at GSA last Friday. The committee members will be Special Government Employees and will require an ethics briefing. We're looking at July 18th, as the date for the briefing. The session will start at 10:30 a.m. The date is being driven by the OVP.

In addition to ethics, a FACA and quite possibly a Travel briefing will be presented as well. We've allotted 30 minutes for each briefing. Let me know if additional time is needed. Meeting location details will follow. Please let me know if you're amenable to the June 18th date? - Thanks

Just wanted to check in on the meeting notice. Do we know when it will be posted? We were hoping it would post today to be squarely outside of the 15-day requirement. Could someone please confirm?

Thanks again.

Hi Faisal and Katie,

Thank you again for your assistance on this topic last Friday.

As you are likely aware, to ensure the proper notification for the upcoming meeting GSA published two notices rather than the one notice originally estimated. I believe GSA and OVP discussed the necessity of this action on Monday, July 3, although I was not part of those discussions.

The upward adjustment to the previously discussed amount is \$288 for a total of \$576.

We are looking forward to working with you to establish the interagency agreement for GSA's administrative support to the Commission. Please let us know if you have any questions or concerns.

Hi Faisal and Katie,

Thank you again for your assistance on this topic last Friday.

As you are likely aware, to ensure the proper notification for the upcoming meeting GSA published two notices rather than the one notice originally estimated. (b)(5)

The upward adjustment to the previously discussed amount is \$288 for a total of \$576.

We are looking forward to working with you to establish the interagency agreement for GSA's administrative support to the Commission. Please let us know if you have any questions or concerns.

Good Morning Kris and Valerie,

Our office handles the travel system (ConcurGov) and will be assisting with getting this commission setup for travel. We need answers to the following questions in order to proceed:

- Will these travelers be needing airfare, lodging and rental car?

- If the travelers need lodging/rental car, there are 2 payment options for reservations 1) Travelers call Adtrav and use their personal credit cards and then get reimbursed after the trip on their travel voucher or 2) GSA can setup a centrally billed account for these travelers that would be paid directly by the agency using the commissions funds. I will need to know which option because a centrally billed account would require time to setup and activate.

- Who will be arranging their travel?

- Each traveler **has to fill out and submit a EFT form (attached PDF)** to obtain a traveler/vendor ID before they are setup in Concur as travelers. This takes 1-2 business days so I need to know who will send these forms to the travelers and make sure they fill it out and fax it in? This has to be done before they can be setup and travel. After the travel/vendor ID is obtained, a [Concur Access Request form](#) needs to be filled out by a POC at GSA for each traveler and submitted to me with a cc to cge-access-requests@gsa.gov.

-We will need the line of accounting that will be used to pay for the travel.

-Who (at GSA) will be approving the travel in Concur?

Thanks!

Dear Claudia and Duane,

Good afternoon!

Please, do you know who OAS has been working with in HR/OGC Ethics regarding the swearing in of members. Is this step being managed by GSA since the members are all Presidential appointments?

So grateful to OGP Jon Clinton as he is working on helping to get the transcription and media services in place. We can not make an error as we need also media services to record the meetings, publish, etc.

This is moving quickly as the first meeting is on July 19. Andrew, Lori, and Duane are getting ready for briefing the commission on the 19th on the rules, regulations, and meeting format, ground rules, etc.

I am proud to say that this is a "team effort" and things are coming together quickly. Thank you all for your unconditional timely support and guidance.

Alex

I had spoken with Claudia earlier this afternoon. My understanding was that neither Duane nor Virginia could perform this role. I have a couple of administrative get backs to Andrew so will ask if he has a contact in HR at EOP or OVP that could handle, as is typically done with new hires. If not will find a solution.

Working on transcription services first thing--coordinating with our OGP front office team on that.

Jonathan,

Tom Mueller and I had a conference call with Andrew Kossack this morning. Andrew has been sending me the completed EFT forms today and so far I have received 5. Once I receive them, I forward them to finance for issuance of the vendor ID. You can start sending me:

| Concur Access Request forms for each individual- once I get the vendor ID from finance I will setup their profile in ConcurGov.

| Name of the Host arranger who will be submitting vouchers on behalf of the members. The host must be in the same org code as the approver will be in.

| The line of accounting (I need the full string) that will be used for the travel expenses (once it is known- we must have this before travel can be booked).

Andrew also sent me an updated list of members (see below).

I think the topic of payment method may still have to be revisited. Arrangers can reserve airfare/rail with Adtrav for the members of the commission and it will be billed to the GSA Centrally Billed Account (CBA). If we have the members use their personal cards for hotel and rental car, they will have to call to make reservations themselves. (b)(5)

Plus Liz Cain, Stefan Grabas in OCFO; Minus - Andrew (OVP) -- is the line of accounting available for OAS to get things in order for Concur?

We were planing option 1--travelers call Adtrav and use personal cards to get reimbursed. We'll coordinate through the committee contact (Andrew) to get the forms out to the travelers so the Concur ID can be created and have them sent in as instructed. We'll start that today. We were also waiting on completion of an IAA being coordinated by CFO before giving the green light for these members to book travel and for that line of accounting.

Presuming the travelers will need airfare and lodging.

Given timing (GC is on leave the rest of the week and Allison just started as HSSO); I can be the approver in Concur.

Hi, all –

Thanks again for all your time and efforts to help get this commission off the ground. I'm just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You'll notice Luis Borunda is no longer a member (resigned), and Hans von Spakovsky is a new addition. We could have an addition or two in the future, but this is the current group.

Our first meeting is still set for the 19th, so we still need to get these folks connected with – I believe – White Glove (?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that'll work?

Thank you,
Andrew

Good Morning Kris and Valerie,

Our office handles the travel system (ConcurGov) and will be assisting with getting this commission setup for travel. We need answers to the following questions in order to proceed:

- Will these travelers be needing airfare, lodging and rental car?

- If the travelers need lodging/rental car, there are 2 payment options for reservations 1) Travelers call Adtrav and use their personal credit cards and then get reimbursed after the trip on their travel voucher or 2) GSA can setup a centrally billed account for these travelers that would be paid directly by the agency using the commissions funds. I will need to know which option because a centrally billed account would require time to setup and activate.

- Who will be arranging their travel?

- Each traveler **has to fill out and submit a EFT form (attached PDF)** to obtain a traveler/vendor ID before they are setup in Concur as travelers. This takes 1-2 business days so I need to know who will send these forms to the travelers and make sure they fill it out and fax it in? This has to be done before they can be setup and travel. After the travel/vendor ID is obtained, a [Concur Access Request form](#) needs to be filled out by a POC at GSA for each traveler and submitted to me with a cc to cge-access-requests@gsa.gov.

-We will need the line of accounting that will be used to pay for the travel.

-Who (at GSA) will be approving the travel in Concur?

Thanks!

Hi Katie,

We just wanted to follow up on the OVP review of the IAA documents. If you have any edits please send them on over! We will have our Legal Counsel take a look and if all goes well, we can have the agreement ready for signatures tomorrow.

To arrange the travel for next week's meeting, we will still need the EFT form for each traveler. At the time of my last check in with Jon Clinton this afternoon, he had not yet received any of the forms. We need the forms in order to enroll the travelers in our travel management system.

Before making the travel agent contact information available, we will also want to have the completed IAA (signed by both GSA and OVP). If for some reason we are not able to complete the IAA tomorrow, we will contact you to make arrangements to record via email the necessary information--but we would very much prefer to finalize the IAA.

I am doing some travel tomorrow and Friday but will be responding to phone calls and emails. You may also contact Andi Fisher-Colwill, the Acting GSA Budget Director, as well (cc'ed on this message or [202-258-9940](tel:202-258-9940)).

Thanks so much,

Hi Katie,

Looking forward to working with you--by way of an introduction, my name is Liz Cain and I am the acting Deputy Director for the GSA Office of Budget. Also included on this message is Andrea (Andi) Fisher-Colwill, the acting GSA Budget Director.

We wanted to ensure we began a discussion with your office about the interagency agreement and also the anticipated upcoming expenses for the Board's activities.

(b)(5)

We aren't as familiar with the EOP/EOVP accounts and processes, but I understand there is a lot of activity happening on your side to ensure the financial setup is completed. We understand that it may take you some time to finalize and sign the interagency agreement and look forward to working with you to complete it in the next week or so.

In the meantime, the upcoming expense for the Committee is for the travel arrangements for the commission members to attend the meeting on the 19th of July. We would like to speak with you before proceeding with the travel arrangements--if you are free on Monday afternoon/evening we would very much appreciate it.

Please do not hesitate to let us know if you have any questions. My contact information is below if you would like to discuss by phone!

Thanks,

Andrew--

Once we get the green light on the IAA and all accounts are created we'll send you the detailed instructions for the members (or their respective admins) to book travel through our GSA travel agent. Given timing--it's most efficient for them to work directly with the travel agent, who is available 24/7, rather than doing a lot of back and forth with our team on preferences for flights, airports, hotels etc.

Sorry, Jon - I hit send before I answered your question about travel days. I am fine with members traveling either two or three days, depending on what works for them. I anticipate most will fly in Tuesday afternoon/evening, and fly out later on Wednesday or sometime Thursday.

I'm also fine with the members selecting the hotel. Just given the timeline, I think more flexibility is better at this point.

Jonathan,

Tom Mueller and I had a conference call with Andrew Kossack this morning. Andrew has been sending me the [completed EFT forms](#) today and so far I have received 5. Once I receive them, I forward them to finance for issuance of the vendor ID. You can start sending me:

- [Concur Access Request forms](#) for each individual- once I get the vendor ID from finance I will setup their profile in ConcurGov.
- Name of the Host arranger who will be submitting vouchers on behalf of the members. The host must be in the same org code as the approver will be in.
- The line of accounting (I need the full string) that will be used for the travel expenses (once it is known- we must have this before travel can be booked).

Andrew also sent me an updated list of members (see below).

I think the topic of payment method may still have to be revisited. Arrangers can reserve airfare/rail with [Adtrav](#) for the members of the commission and it will be billed to the GSA Centrally Billed Account (CBA). If we have the members use their personal cards for hotel and rental car, they will have to call to make reservations themselves. Andrew may have been under the impression that GSA would be making all the travel reservations for the members but that would require a CBA. If you do want to continue with the members using a personal credit card for hotel and rental car, you may want to let Andrew know that is the plan.

Tom and Christine,

Thanks again for your time this morning. Below is a current list of our members, including the two most recent appointees. I've attached David Dunn's EFT form, and will send Christine the password to unlock it in a separate email.

I’ve also cc’d my colleague Katie Purucker, who’s the director of administration for OVP and who’s been running point on the IAA. Hopefully we’ll get word on that soon.

If for whatever reason the funding and/or the IAA is delayed, is there anything else we need to do to confirm our members could go ahead and book their own travel and then seek reimbursement afterwards?

Thanks again for all your help!

Hi Katherine,

Thank you for meeting with you yesterday. I wanted to follow up with the information we will need from the travelers in preparation for booking the travel.

GSA will be coordinating the travel process for the PCEI members. **We need each member who will require travel arrangements to fill out and submit the attached Electronic Funds Transfer form ASAP and no later than 4PM EST, tomorrow, 7/12 to jonathan.clinton@gsa.gov**. This is the first step to get them established in our travel system and subsequently reimbursed for their travel.

Can you distribute/coordinate with the PCEI members or their admins? More to come. Important first step is to complete the attached form.

If forms are received tomorrow, we're targeting Friday for the travel agent to be available for members. Of course, this is contingent upon funds certification.

We will provide the information to you for how the member or their admin can book travel through the travel agent after 1) we have received the forms and 2) we have received funds certification for the estimated cost of the travel, which we are working to prepare now.

Thank you!

Liz Cain

Hi - FYI, attached is the draft presentation I need to provide Andrew as soon as possible. I will cover the general FACA overview slides in the front portion, and the rest are operational slides for the DFO to cover. The content was approved by OGC in 2013. Duane agreed to cover the Presidential Records Act during the briefing to the Commission, and will need to explain it's intersection with FACA, which is why the last two slides of the presentation are currently blank. The last two slides can be removed before sending to Andrew this afternoon. If you have any feedback, please let me know by 1pm. Thank you. Lori

Dear Duane,

Good afternoon!

In terms of timing, Lori can send this out by COB tomorrow or sooner. Is it possible to add your two slides on Presidential Records Act by then? Thank you, Duane for your continued support.

Of course, you can also speak from your notes, without slides. If that is the case, Lori can remove the placeholder. We look to you for what serves you best. We are at your service. Thank you.

Best Regards,
Alex

Andrew--

Once we get the green light on the IAA and all accounts are created we'll send you the detailed instructions for the members (or their respective admins) to book travel through our GSA travel agent. Given timing--it's most efficient for them to work directly with the travel agent, who is available 24/7, rather than doing a lot of back and forth with our team on preferences for flights, airports, hotels etc.

Have you established parameters on # of travel days for the members--e.g. max of 3 days (travel on 18th; departure on 19th/20th)? We'll need to ensure we're just covering the travel expenses for what the mission of the committee calls for, and it will be good to set those expectations in the instructions.

Are you recommending members to stay at a particular hotel [max reimbursement rate (per diem) is \$172]? If so, we can include that in the instructions or just leave the members to choose for themselves at/under the max reimbursement rate.

Thanks,

Jon

Sorry, Jon - I hit send before I answered your question about travel days. I am fine with members traveling either two or three days, depending on what works for them. I anticipate most will fly in Tuesday afternoon/evening, and fly out later on Wednesday or sometime Thursday.

I'm also fine with the members selecting the hotel. Just given the timeline, I think more flexibility is better at this point.

No problem. Okay--thanks for the response.

I think we're in good shape on the forms and account creation.

(b)(5)

We received the IAA back through Andrea. It's with my office for signature now.

I'll be back in touch with the detailed travel instructions.

Finally, I told Lori Kowalski I'd be reaching out to you on the above admin items. She asked whether you'd seen the FACA slides she sent Tuesday and whether you wanted to discuss?

Appreciate the ping re: FACA materials. My apologies to Lori for leaving her hanging on that. I've been buried in litigation the last few days, but hope to turn my attention to those slides tomorrow.

Presidential Advisory Commission on Election Integrity Briefing

Federal Advisory Committee Act
Presidential Records Act

July 19, 2017

Overview of Discussion

- What is the Federal Advisory Committee Act (FACA)?
- FACA and Transparency
- Establishment Authorities
- FACA Major Players
- Federal Advisory Committees
- Operational Roles Under FACA
- Commission Meetings Under FACA
- Subcommittees
- Commission Interactions/Transparency
- Commission Records – Presidential Records Act

What is the Federal Advisory Committee Act?

- FACA governs the establishment, operation, and termination of Federal advisory committees within the executive branch
- Provides objective and accessible advice
- Created the Committee Management Secretariat
- Requires that Federal advisory committees advise and recommend, not decide or implement
- Regulations for implementing FACA: 41 CFR Parts 101-6 and 102-3 (2001)

FACA and Transparency

FACA is one of the “Four Pillars of Openness in Government” (or Access) Statutes:

- *Administrative Procedure Act (APA)* – 1946
[5 U.S.C. 551-553]
- *Freedom of Information Act (FOIA)* – 1966
[5 U.S.C. 552]
- *Federal Advisory Committee Act (FACA)* – 1972
[5 U.S.C. App.]
- *Government in the Sunshine Act* – 1977
[5 U.S.C. 552b]

Establishment Authorities

| Sources of Authority | Explanation | Mandated or Agency Choice |
|---|---|---------------------------|
| Required by Statute | Congress establishes by law, or directs agency or President to establish | Non-Discretionary |
| Presidential Authority (PACEI Commission) | By Executive Order or other Presidential directive | Non-Discretionary |
| Authorized by Statute | Congress authorizes, but does not direct agency or President to establish | Discretionary |
| Agency Authority | Agency chooses to establish under general, organic authority | Discretionary |

FACA Major Players

- GSA's Committee Management Secretariat provides oversight and management controls government-wide
- Each agency head must designate a Committee Management Officer (CMO) who is responsible for managing their agency committee management program
- A Designated Federal Officer (DFO) oversees and manages a Federal advisory committee
- FACA legal counsel provides legal advice

Federal Advisory Committees

- Commission = Federal advisory committee
- A Federal advisory committee must have a filed charter before it can meet or conduct any business
- Federal advisory committees are ADVISORY only, and must provide independent advice that is not inappropriately influenced by the appointing authority or any special interest

Operational Roles Under FACA

- Commission Chair
- Commission Members
- DFO
- CMO
- Agency Staff

Commission Meetings Under FACA

- Meetings are open to the public, with limited exceptions; public permitted to file written statements
- Meetings can be closed with advance OGC and agency head approval per exemptions in Government in the Sunshine Act
- All meetings require a 15 day advance notice in *Federal Register*
- The Chair and DFO must be present (the entire meeting)
- Minutes required; other recordkeeping requirements

Subcommittees

- Subcommittee meetings not required to be open to the public
- Require a DFO and Chair attend
- Subcommittees report only to Commission, not to a Federal official or agency
- Subcommittee draft products must be vetted by Commission
- Recordkeeping requirements

Commission Interactions/Transparency

- During public meetings
- Between meetings
- Emails, phone calls, social media
- Public/Press
- Commission website, FACA database

Commission Records - Presidential Records Act (PRA)

- This Commission was created by Executive Order and the records are maintained subject to the Presidential Records Act (PRA).
- Per 44 USC 22(b), “(b)Documentary materials produced or received by the President, the President’s staff, or units or individuals in the Executive Office of the President the function of which is to advise or assist the President, shall, to the extent practicable, be categorized as Presidential records or personal records upon their creation or receipt and be filed separately.”
- 44 USC 2207 states that the same provisions of the PRA apply to Vice Presidential records as well.

Hi Andrew - The following GSA employees need clearance to the EEOB on July 19 in order to participate in the FACA and ethics administrative briefings for the Commission:

Lori Kowalski, lorelei.kowalski@gsa.govDuane Smith, duane.smith@gsa.govShana Vinson, shana.vinson@gsa.govEugenia Ellison, eugenia.ellison@gsa.gov

I will be back in touch with another version of the FACA presentation that includes a title page, a slide on the Presidential Records Act (given by Duane), and notes. Can you provide us a room number and confirm the briefings begin at 9am? Also let us know what time the briefings need to end to give the members time to move to the room that will be used for the public meeting.

Let me know if you have any questions. Thanks! Lori

Thanks, Lori. Here is the link we'll need you and each of your colleagues to fill out to get cleared:

<https://events.whitehouse.gov/form?rid=Q863BT7JF6>. If you have any trouble with it, just let me know. We'll meet in the VP's ceremonial office for the briefings.

(b)(5)

All of your folks are certainly welcome to attend the public meeting as well, if you'd like. We'll have a few spaces for staff. That's up to you; no pressure.

Thanks again,
Andrew

Hi Andrew - Thanks for the link. I sent in my information and forwarded the email to Shana and Eugenia. Sure, I can make the earlier time, and understand the concern of finishing too close to the actual meeting time. It makes sense. Is the VP's ceremonial office on the same corridor as his office on the second floor? I really appreciate the offer to stay for the meeting, but unfortunately I have a deadline for another project on Friday, so I will need to leave after the ethics briefing. The presentation with bulleted notes is attached - let me know if you'd like to discuss with Duane and I before Wednesday. We will see you soon! Thanks! Lori

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft FR meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI). As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the GSA Briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Hi - FYI, attached is the draft presentation I need to provide Andrew as soon as possible. I will cover the general FACA overview slides in the front portion, and the rest are operational slides for the DFO to cover. The content was approved by OGC in 2013. Duane agreed to cover the Presidential Records Act during the briefing to the Commission, and will need to explain it's intersection with FACA, which is why the last two slides of the presentation are currently blank. The last two slides can be removed before sending to Andrew this afternoon. If you have any feedback, please let me know by 1pm. Thank you. Lori

Good afternoon!

In terms of timing, Lori can send this out by COB tomorrow or sooner. Is it possible to add your two slides on Presidential Records Act by then? Thank you, Duane for your continued support.

Of course, you can also speak from your notes, without slides. If that is the case, Lori can remove the placeholder. We look to you for what serves you best. We are at your service. Thank you.

Commission SGEs and the Hatch Act – Point of Clarification

Hi Andrew,

This is a follow-up to our ethics briefing on July 19, 2017. I wanted to provide the members of the Presidential Commission on Election Integrity (the "Commission") with additional information on the Hatch Act and clarify what "duty hours" for the Commission means since they are in a non-pay status.

Under the Hatch Act, 5 C.F.R. § 734.601, Subpart F—Employees Who Work on An Irregular or Occasional Basis Employees, "[a] employee who works on an irregular or occasional basis or is a **special Government employee**...is subject to the [Hatch Act] when he or she is on duty."

The Hatch Act governs the political activities of federal employees, including special government employees. Political activity is defined as an activity directed at the success or failure of a political party, candidate for partisan political office or partisan political group.

For purposes of the Hatch Act, because the Commission members are special government employees and are not in a pay status, "on duty" means the hours each member performs government business (i.e., Commission business). A Commission members duty hours include, but are not limited to: 1) attendance at official meetings; 2) attendance at sub-committee meetings; 3) research performed on behalf of the Commission; and 4) the review of research/preparation to attend meetings.

For example, "[a]n employee appointed to a special commission or task force who does not have a regular tour of duty may run as a partisan political candidate, but may actively campaign only when he or she is not on duty." 5 C.F.R. § 734.601.

An example of "on duty" for Commission members is: a Commission member attends a committee meeting from 8:00 a.m. - 1:00 p.m., during this time the Commission member is prohibited from engaging in political activity, including but not limited to sending a tweet about a candidate for partisan political office or send out emails asking for donations to his or her campaign for partisan political office. On the very same day, from 3:00 p.m. to 7 p.m., the Commission member is not prohibited from attending a political fundraiser and even soliciting political contributions from the attendees, because the event is not during the Commission member's duty hours.

Please note that based on the heightened level of interest this Commission has received, to alleviate potential appearance concerns, when possible, Commission members may not want to engage in political activities on days where the Commission member has or will perform work on behalf of the Commission.

Best Regards,

Shana

Good Morning Andrew,

As stated in Jonathan's Clinton email below the panelist can be reimbursed. A concur account will need to be set-up. Please have the attached EFT form completed and submitted to Christine Courter (christine.courter@gsa.gov) to create the account. Once the account has been established, I will generate the authorization, which will need to be generated in order to generate the reimbursement voucher.

For some reason I can't find your original email with the receipts attached, please send to me again.

Yes--we can reimburse for expenses per direction we had provided (per diem, etc). I spoke with OAS re: any policy issues. There are none.

Can you coordinate getting the EFT form, creating the Concur account, authorization, etc?

Thank you very much.

Good Morning Andrew,

Just want you to know it's a pleasure to work with you. Thank you for the cc re: the Ethics Presentation by Shana.

I want to let you know that one of the additional ways beside the Commission web site to share critical information with the public and Congress (so the Congressional Staffers can get quick answers) is by populating the information in the FACA Database. The information for example on Commission member's appointment start and end dates.

You all are so busy right now I know, but if anyone has 30 minutes they can spend with me this week via teleconference to go into the FACA Database, please have them contact me. Otherwise, I will be on annual leave August 9-21. BTW, do we know the exact date of the September meeting?

You're doing a fantastic job Andrew.

Sincerely yours,

Since total estimated value is above the micro-purchase threshold (\$3,500.00), we would need to receive funding (approved PR), a limited acquisition plan (template attached) including IGCE, statement of work/bill of materials, and justification for other than full and open competition (template attached) (if a sole source / brand name requirement) for the request.

We do have a government purchase card with \$5K but the documentation above would still be required before we can award such order. Our standard procurement lead time is 25 business days for this type of procurement.

That was referring to him being setup as a vendor in Finance. His profile still needed to be created, and I needed to add you as a host after it was created.

I don't see a profile setup for him. Did you ever get a form to setup his profile?

Jon/Kris -

John Lott just called me from Reagan National and said his ticket was not approved and was canceled. He currently has no way to get to Manchester. Can someone please call me ASAP and help figure something out for him?
